

The 2018/2019 LCANA membership fee is now due please contact Maureen Casey, 9 Abbey Court, Prosperous Road, Clane, Co. Kildare or phone: 087 230 9897

Your membership fee is important to us. It enables us to continue the work of the Association on your behalf. (This fee may be reimbursed via your school LCA budget.)

### **Advantages of membership:**

- A strong association is essential during the coming year in the context of the impact of educational cutbacks on the LCA programme in our schools. Now more than ever we need an informed and representative body to push and develop the LCA in our schools.
- Membership fees should be paid as soon as possible. Paypal option now on website.
- Membership of the Association provides networking opportunities for coordinators and provides a forum where the opinions, views and concerns of coordinators and LCA teachers can be heard and forwarded to the relevant parties.
- The Association publishes a yearly newsletter.
- Members will be informed of all events by text messaging and email during the year as much as possible.

Our National Awards Ceremony for the 2018 LCA students will take place in November

Membership open to coordinators and LCA teachers

**New members welcome!**
